

P.D.A. FOUR PLAYER TEAM LEAGUE RULES

GENERAL RULES

1. The P.D.A. 4-player Team League will operate as its name implies, on a 4-player format. If a team has only 3 players present, the match may still be played. The full team must list 4 players in singles. One singles match would be forfeited in 501 and Cricket unless a 4th player arrives. After an event is listed and begun the 4th player must wait for the next event unless both captains are in agreement. The forfeited singles will affect no individual stats. All doubles games must be played. The games with only 1 player on the doubles team must be played as if there is a partner that scores zero (0) for each turn.
2. All League players must be members in GOOD STANDING of the PIEDMONT DART ASSOCIATION.
3. Each team is allowed one substitute per season, for one match only, without requiring PDA membership.
4. The League Executive Committee, which governs League rules and play, will consist of captains from each participating team and the PDA officers. Captains and officers are required to attend (or send a representative) to any captains meeting.
5. All local rules override ADO rules. Any bar that has participated prior to 2002 does not need to change their facility to meet the ADO recommended board set-up in its entirety. Height and distance must be accurate.
6. Rule changes may only be made prior to the beginning of a season. The season officially begins at the first captains meeting. Rule changes will be voted on at the League Party.
7. All protests must be submitted in writing to the President of the PDA on the night of the protested action(s). The President will decide on any rule interpretations and render his decision to the interested parties no later than seven (7) days after the written protest is received. If the President is involved in the protest, the decision goes to the Vice President. If both officers are involved, the League Executive Committee will decide the protest by vote. If the President's decision is disputed by either party, the League Executive Committee will decide the protest by vote. No team involved in a protest will be allowed to vote on that protest.
8. Team placement: The top team at the end of regular season play will advance to the next league and the last place team will drop down at the discretion of the scheduling committee. If a team splits up, the team with the most active members from the original team (active members being those who played in 4 or more matches the preceding season) will have the option to hold the old team's league standing. In the event of a tie - flip a coin. New or returning teams will be assigned to the league of their choice or as close to that league as possible for scheduling. No more than eight (8) teams will be scheduled in any individual league.
9. Bars within a twenty-five (25) mile radius of the GPS point 36.11, -80.01 (street address 9200 W Market St, Colfax, NC 27235) may be admitted to the League schedule. Busters in Burlington was voted on to allow to participate in league for the 100th season.
10. Good sportsmanship is the prevailing attitude of our League. Bad sportsmanship WILL NOT BE TOLERATED by the PDA or team sponsors. If, during a match, bad sportsmanship is displayed, a protest SHOULD be made in writing to the President of the PDA. If three (3) legitimate complaints have been made about a player, he or she will face the League Executive Committee for disciplinary action.

LEAGUE PLAY

1. EVERY league must have its own STATISTICIAN! If there are no volunteers, then one will be elected at the first captains meeting of the season. 2. Team rosters will not be accepted after the cut-off date.

7. If your match is to be made up, you must turn in a blank score sheet signed by both captains stating when the match is to be made up! A blank score sheet must also be sent in declaring a match forfeit! Members of the team present and able to play should sign the score sheet before mailing it to the statistician in order to get credit for attending four (4) separate matches to be eligible for playoffs. It is the captain's responsibility to make sure the statistician has received the score sheet. The first late score sheet will be accepted by the statistician with no penalty.
