

### TIME TO TURN IN SCHEDULE CONFLICTS FOR 2023

As always, the schedule of play for 2023 will require a bit of planning as we try to satisfy all the leagues'/teams'/tournaments' needs and requests, and each of you can help with the task by getting your date conflicts turned in quickly. Please send your conflicts to any/all of Jason Kilts (jdkilts@yahoo.com) and/or Dawn Hamilton (dbocc2009@gmail.com). Include local local tournaments, ADO regionals, ADO qualifiers, nationals weekends, world cup events, league functions... whatever you have. We can make no guarantees, but we try to schedule around as many things as possible to make life easier for our league members. We will use Dec. 16th as a deadline for receipt of schedule conflicts to be considered when selecting 2023 dates.

### NCDO/NCCDL/NCLC MEETING AT THE NC STATE CHAMPIONSHIPS

Depending on when you're reading this newsletter, it's possible the state meeting has already happened... See the meeting time below. If it's after October 2nd right now, then we should already have the rules and division alignments for 2023 in place.

This year's meeting is on Sunday morning at NC State Championships weekend -- **The Upper Deck** in Cary, **9:00 a.m., Sunday, October 2nd**. All items for the 2023 season will be decided, so send a team representative. Also, let us know **NOW** if your team is playing next season - that will make the meeting much more efficient.
